untitled (from triptych), 2017

collage

22.5 x 15 in.

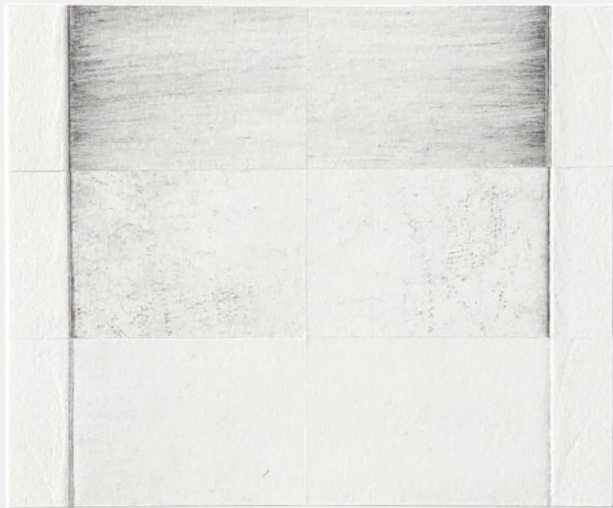

1200\$ each

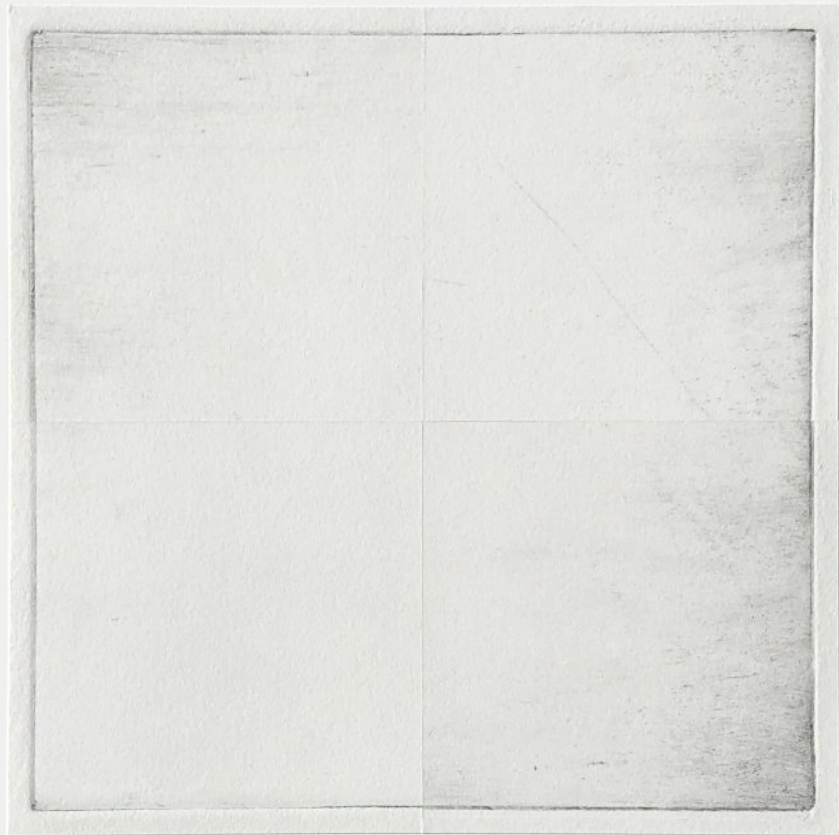

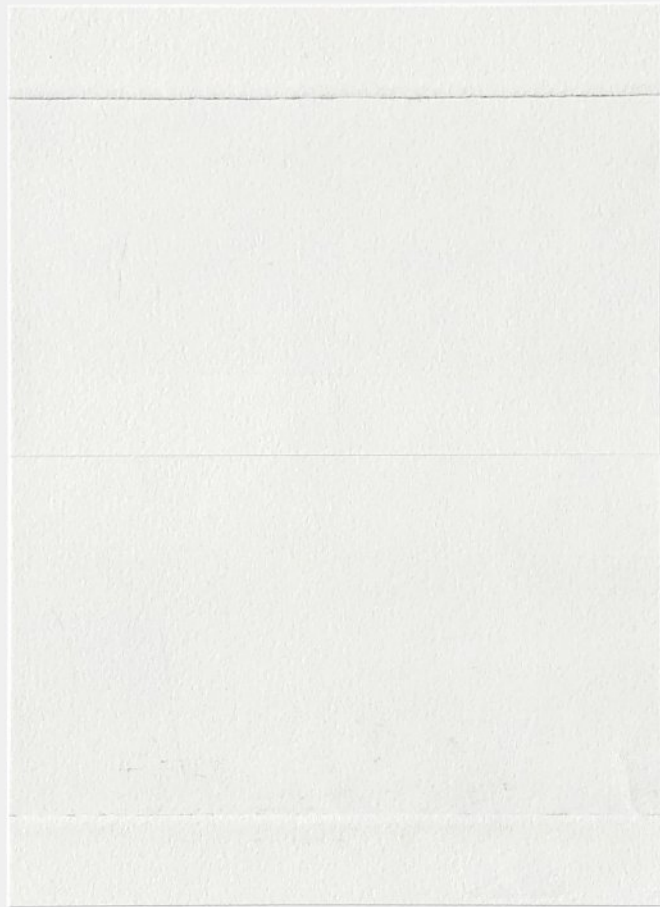

the beauty of these pieces is in their delicate subtlety and the nuanced conversations between each cut and the full white page. this nuance is difficult to capture with a camera. due to this fact we suggest the work be experienced in person.

brooklyn studio visits can be scheduled, or arrangements can be made to view the work in your home or office.

please contact the studio to make arrangements.
