

This Friday or Next Friday

presents:

archive

john ros

These objects were once useful
Glib mechanics whose irrevocable convalescence was programmed into genetic script
Machine they are not
For consumption they are not
Forever they are not

Instead, these objects are the remainder of community
A functional history
A cogged history
That has sprung a leak
And left its bounty
White shadow on the wall

OPENING RECEPTION FRIDAY April 8 6-9 PM
EXHIBITION RUNS April 8 - April 29
BY APPOINTMENT thisfridayornextfriday@gmail.com

This Friday or Next Friday
89 Bridge Street
Brooklyn, NY 11201
