

ATLAS [INDEX] ARCHIVE:

A Group Show at the Queens College Art Center

Curated by Adriana Pauly

OCTOBER 17TH, - DECEMBER 9TH, 2016

An opening reception will be held during the Arts Festival, on Friday October 21st, 2016, between 6-10pm.

ATLAS [INDEX] ARCHIVE reflects on the ways in which contemporary artists understand and dialogue with archival practices (cataloging and organizing of visual and theoretical materials) in order to generate aesthetic experiences. The works presented stand in for actions, memories and historic moments. Forever captured or continuously evolving they come together to map out personal and universal histories.

The exhibition will present works by current as well as recently graduated Queens and Brooklyn College students.
